**PROTEOL™ APL EF** forms a rich & dense foam which cleanses softly the skin. Anionic surfactant inspired by apple, **PROTEOL™ APL EF** respects your skin & the environment by attracting impurities of the day (make-up, pollution, ...). (Sodium Cocoyl Apple Amino Acids)

**EQUIBIOME™** preserves the skin balance. **FLUIDIPURE™ 8G** participates to the formula's preservation & to the cutaneous flora respect.

**EQUIBIOME™** (Propylene Glycol - Arctium Lappa Root Extract)

**FLUIDIPURE™ 8G** (Hexylene Glycol - Capryloyl Glycine - Xylitylglucoside):

Glycine & sugar biovector. It helps to **decrease irritation as well as body odor**, and **restores the skin's acidic mantle**. It reduces **microbial proliferation of cosmetic formulations** while preserving natural skin microbiota. It is thus the **perfect match for sensitive skin**.
